New York, NY March 6, 2017 – Carret Asset Management, LLC (CAM) today announced that it has, once again, been recognized with Top Guns status by Informa Investment Solutions' PSN manager database for the fourth quarter of 2016. CAM was recognized for its **Opportunity Fixed-Income Strategy** which achieved a 1-Star Top Guns ranking in the intermediate maturity fixed-income universe for the 3rd consecutive quarter.

“We are proud to once again be recognized for this achievement,” said Jason Graybill, CFA and Neil Klein, Co-Directors of Fixed-Income Strategy at CAM. “In December of 2011, we launched our Opportunity Strategy to seek above average returns in a low rate environment utilizing a combination of high-yield and investment-grade bonds. Our focus on credit research is once again proven by this award. In addition to our Opportunity Strategy, we offer three separately managed account strategies and two mutual fund strategies totaling \$1.7 billion in fixed-income assets. This award recognizes Carret as a leading fixed income manager.”

Utilizing a proprietary blend of Informa Investment Solutions' top priority performance screens, PSN Top Guns ranks products in six proprietary star categories in over 50 universes. This is a highly anticipated quarterly ranking and is widely used by institutional asset managers and investors. Carret's Opportunity Fixed-Income Strategy was recognized for the third consecutive quarter as a top ten performer within the respective universe, based on quarterly returns.
